

Hello Juniors Families,

Hope you are doing well and enjoying these nice early summer days. Here is a little more information regarding the Mt Hood camp coming up June 9th - June 23.

We currently have 17 athletes attending and 4 coaches leading the camp – Jen, Conor, Bucky & Kjersti. If you are still interested but can't quite figure out how to get your athlete to attend, please let me know. I may be able to provide some alternative solutions.

I also need to remind you all that the absolute **deadline for registration is this Friday, June 5th**. Please remember to register through Zone4 even though you are traveling with parents. I need the definite numbers of athletes attending to give to the resort.

Attached is the fact sheet for the camp. Please review it carefully as there is a lot of useful information that will come in handy.

For those of you following the recent news from the Governor's office on the requirements for traveling back into the State of Alaska, we are currently getting clarification on our options. Although a lot may change in the next couple of weeks, it appears that testing in Oregon, Anchorage International Airport and/or opting for a 14 day quarantine are all on the table. Please be aware that COVID is still a risk and we leave it up to you, your family, and your healthcare professionals to make any decisions about traveling to this camp.

Things we need from everyone registered -

1. Both ASC's Medical Release Form and Release of Liability Waiver (also attached to this email) need to be completed and sent back to me electronically.
2. When you send the forms back, please also specify if you are planning on having your athlete return to Mt Hood a second time this year. I will buy a season pass according to your information as it will allow you to save money on your second visit to Government Camp.
3. Lastly, please complete Timberline's Risk Waivers. You will not be able to attend the camp until the waivers are completed. Timberline waiver link: <https://bit.ly/3dbX4KV>

Let me know if you have any questions and please do not hesitate to contact me for anything else.

Thank you,

Jen
